B. Community Pool Update

The Meadow Vista pool is scheduled to reopen sometime in July of this year. This has been the result of much community organization and contribution of time, money and labor. What else might be needed to make the reopening a reality?

Presented by Michelle Myrenne Willoughby, Community Member and Pool Fundraising Coordinator.

10. ACTION ITEM -- Hidden Falls Regional Park: Re-Hearing

The MAC was asked in March, 2010, to make a recommendation to the Placer County Board of Supervisors to commit County Park Dedication Fees totaling \$150,000 from Recreation Area #5, Meadow Vista/Auburn Recreation Area, for park amenities for the Hidden Falls Regional Park project. Specifically, amenities include emergency and pedestrian bridges, parking area expansion and a new well that will be required prior to opening the additional 979 acres of Hidden Falls Regional Park to the public.

At the March meeting, the MAC members in attendance voted 3 to 2 against the commitment of the fees. In the interim, the MAC has a new appointee and a total membership of 7. Also, as a result of much discussion in the community and the press, along with well-attended public meetings, additional information has been made available. A majority of the current MAC members have requested an opportunity to revisit the issue and make a recommendation to the Board of Supervisors.

Presenter: Andy Fisher, Senior Planner, Placer County Parks Department
